## Thank You For Standing With Us

A message from  
Susan Miller, CEO

In 2017, Rose Brooks Center served 14,487 adults and children, and 56 pets through support and advocacy. Thousands more were trained by Rose Brooks staff in hospitals, police departments, schools, and throughout the community on how to screen for domestic violence and provide support and resources to those escaping violence.

By educating community partners, we change the way they respond to survivors, and thousands of lives are saved each year. Until the epidemic of domestic violence is stopped, Rose Brooks will be here, and we thank you for standing alongside us, reminding survivors they are not alone.

**When they are ready, Rose Brooks is here.**

In 2018, we humbly continue to serve the Kansas City community and beyond, as innovators and leaders in providing care to those who need us most - survivors of domestic violence, their families, and their beloved pets.

Rose Brooks Center has committed 40 years to providing safety, care, and education to those impacted by domestic violence. Because of **your support** we continue to create innovative ways to end domestic violence, support survivors, and create safe futures for lives of every kind. Thank you for being a part of this important work.

Sincerely,

Susan K. Miller, CEO
